

February 2019

Dear Parent/Carer

Re: Temporary Roadwork Information

Please find attached information that has been provided to us by Nottinghamshire County Council with regards to the ongoing roadworks by Severn Trent Water. Between the 18<sup>th</sup> February and the 30<sup>th</sup> April, 2019 certain roads listed will be closed and there will also be an introduction of a temporary one way system put in place. This information is being shared with you to enable you to plan and if necessary amend the route you travel when dropping off/collecting your child or for you to allow extra time to complete your journey.

For those students that use transport provided by Nottinghamshire County Council, the pick-up and drop-off points are unaffected by these planned works, however a slightly longer journey time due to congestion may be unavoidable.

Should you require any further information or clarification, there is a contact name and number provided on the attached sheet on behalf of Severn Trent Water to direct your enquiries to.

Yours sincerely

Newark Academy
