

Remote Learning – January 2021- Student Timetable

Newark Academy teachers will commit to providing high quality learning experiences to ensure learning momentum continues whilst students are working remotely at home. As from Tuesday 5th January, all students will receive remote learning via Microsoft Teams.

Teachers have worked particularly hard to map their curriculum and provision to ensure it can be accessed as easily as possible whilst students are working at home so they can recap prior learning but also prepare for their learning journey ahead once they return to the academy. For KS4 and KS5 students taking examinations next week, further information regarding face to face learning will be communicated by Mr Brown and Mrs Hamilton-Smith via email on Tuesday 5th January.

The suggested timetable for students to follow for remote learning can be found below. Students should aim to access the material for each subject at a time suitable to them each day. There will be approximately 4 hours of work per day, per year group.

| | Monday | Tuesday | Wednesday | Thursday | Friday |
|---|---|---|--|--|--|
| Year 7 Year 8 | DEAR – 'The Day' English Maths Science PSHE House Comp | DEAR – 'The Day' English Maths Science RE House Comp | DEAR – 'The Day' English Maths Science MFL House Comp | DEAR – 'The Day' English Maths Science Geography House Comp | DEAR – 'The Day' English Maths Science History House Comp |
| Year 9 Year 10 Year 11 | English Maths Science PSHE House Comp | English Maths Science Option A House Comp | English Maths Science Option B House Comp | English Maths Science Option C House Comp | English Maths Science Option D House Comp |

PSHE Schedule

Students will follow one PSHE session per week on the following topics:

- Year 7 - Healthy lifestyles
- Year 8 - Mental health and Family
- Year 9 - Money and Me
- Year 10 - Illegal substances
- Year 11 - Emotions

Accessing and submitting work

All students will find the appropriate daily work set for each of the scheduled subjects on Microsoft Teams; video links can be found at the end of this document. The work may appear in a variety of formats: PowerPoint with an audio explanation; a video link to a YouTube video; Microsoft forms or other quizzing sites; a link to another educational website, or a downloadable worksheet created to support the delivery of the subject content. Students will submit completed work via Microsoft Teams.

Feedback for work submitted

Students will receive feedback once they have submitted a knowledge quiz or once they have completed all assignments set by the class teacher. Written communication from their teacher may be delivered via the comment box or by a whole class feedback sheet with audio explanation.

Online Safety

On Tuesday 5th January, all students will be provided with a separate lesson focusing on online safety which they will need to undertake prior to commencing their study.

Drop Everything and Read

All students should aim to ensure they read for a minimum of 20 minutes each day. This could include regular reading of 'The Day' which will be set daily and designed for students to explore contemporary topics.

House challenges

Students will have a choice of 'house challenges' to complete as part of their provision and these will be communicated separately.

Health and well-being

We would encourage all students to take part in 30 minutes of physical activity each day and we will be providing further guidance on this through the allocated PE session. Students must take regular breaks away from the computer screen whilst also maintaining a healthy diet, including drinking plenty of fluid.

Further support

Please contact your class teacher through Teams for any support needed with work set. For general support, your year group Achievement Leader or Pastoral Leader is also available to help.

If additional equipment is needed to support with remote learning, please contact your Pastoral Leader directly.

Pastoral Leaders

| | | |
|----|--------------------|--------------------------------|
| 7 | Mrs Lisa Ness | LNess@newarkacademy.co.uk |
| 8 | Mrs Sam Taylor | STaylor@newarkacademy.co.uk |
| 9 | Mrs Jemma Gough | JGough@newarkacademy.co.uk |
| 10 | Mr Reece Stevenson | RStevenson@newarkacademy.co.uk |
| 11 | Mrs Alison Rae | ARae@newarkacademy.co.uk |

Achievement Leaders

| | | |

Links to follow to support with accessing lessons: Your login is: 4013 followed by the first two initials of your first name and surname followed by the year you started e.g. 4013nicr18@newarkacademy.co.uk along with your password.

If you have any trouble logging in, please email your Crew Leader.

Accessing Microsoft Teams – <https://youtu.be/pB94NDve-1E>

Watch this video to understand how to access our online portal (Microsoft Teams) where teachers will provide work and guidance.

Completing an assignment in Microsoft Teams - <https://youtu.be/Wz1FQQtVj44>

Watch this video to understand how to access and complete work that teachers will set for you. This will also show you how to submit work to teachers so they are able to provide feedback.

Accessing an online lesson – <https://youtu.be/uVfK9kJvIEc>

Some teachers may provide the option of taking part in an online lesson. When this happens, the time slot will be communicated with you and this video will show you how to access these.

Work for the full week will be set via Teams from Tuesday 5th January and will include NA6 Study Challenges. PSHE lessons and House Challenges can be completed at a time which suits your learning.

Support and some live lessons will be available for each subject, via Teams, at the following times for each year group throughout the week.
