

8 September 2021

Dear Parent/Carer,

We are pleased to announce that we are now in a position to provide students with opportunities to further enrich their curriculum outside of the classroom starting week commencing Monday 13th September.

A full timetable of enrichment activities can be found on our website:

<https://www.newarkacademy.co.uk/page.php?p=enrichment>

Further information about enrichment activities can be found here:

<https://www.newarkacademy.co.uk/enrich.php>

Please use the link below to access a booking form which allows parents/guardians to book and give consent for your child to attend after enrichment activities led by Newark Academy staff and external providers.

Please only sign your child up to activities intended for their year group.

If your child has not been signed up using the online form they will not be able to attend as this is part of our safeguarding strategy:

- Once you have completed the sign-up form you will get a confirmation message – please assume your child has a place on the activity unless you hear from us to suggest otherwise.
- Some activities have a maximum capacity and students will be selected for enrichment on a first come first serve basis - then a waiting list.
- Repeated non-attendance will mean a student from the waiting list will take your child's place. A member of staff will be in contact to make you aware of this. We will really appreciate it if you could let us know ASAP if your child changes their mind and no longer wishes to participate in an enrichment activity so we can resourcefully offer this to another student who maybe on the waiting list.
- There is no charge for the activities.
