

Proudly Presents

Let's Pitch It

Family

Created and delivered by Baasit Siddiqui, an experienced teacher and regular on Channel 4's Gogglebox

This exciting workshop allows the families of your school or business to work from home, as a family to plan and promote an idea for a television show. Help them develop their business, media and team working skills as a family

The most creative , entertaining and hardest working families can submit their ideas and win a number of great prizes. Including vouchers, trips and a chance to meet the Siddiqui's
