A PARTNERSHIP FOR LEARNING

Nova Education Trust Home-School Agreement

This agreement has been developed using the views of pupils, parents and teachers to help us be quite clear about our expectations. Signing it is voluntary, but does show the commitment of each one of us to work to promote a strong educational partnership between school and home.

The school reserves the right to interview pupils and take written statements when required for the maintenance of good order and the education and welfare of students in the school. The consent or presence of parents/carers will not be sought except in specific circumstances of special educational need. Witness statements will require the pupil's signature, countersigned by a member of staff. Witness statements may be included in school reports at Governors' Disciplinary Panel hearings. In such instances the name of the pupil will be removed from the statements so as to protect the witnesses identity and to avoid harm, either physical or emotional, from reprisal, threatened reprisal or fear of reprisal. The academy has a duty to share witness statements with the police where this is required for the detention or prevention of crime or disorder. It is the policy of the Nova Education Trust that pupil witness statements are not shared or disclosed except in the instances stated above.

Our Aims

- To provide a broad, high quality education for our students
- To enable all to fulfil their potential and develop learning for life in a changing technological society, a strong sense of citizenship and moral values, individuality, enthusiasm and commitment to learning
- To keep the school at the heart of the community and foster close links with the world of work
- We are relentless in the pursuit of academic excellence for every student
- We insist on the highest standards of behaviour at all times
- We care deeply about our students and expect them to "work hard and be kind"—simple yet important values
- We encourage staff to be creative, independent and ambitious. We expect them to challenge and inspire our students, providing high quality learning experiences that motivate students to be the very best they can. High standards and academic rigour underpin our daily work.
- We develop commitment, independence and courtesy in all of our students. We expect the very highest standards and in return we value and respect student ideas and opinions
- We explicitly promote leadership skills and offer a range of opportunities for students to take an active role in developing their school.
- We offer a wide-ranging enrichment programme that includes opportunities to promote independent learning. Students are expected to learn beyond the classroom and to develop the skills and attributes they need to compete with the very best in the country
- · We are committed to serving our local community and partnership and collaboration is a thread that runs through all aspects of our school life

As a student I will do my best to...

- Work hard and behave well
- · Attend school every day on time
- Wear the correct uniform to school
- $\bullet \qquad \hbox{Respect other students, teachers and staff at the School} \\$
- Respect and take pride in the school environment (no litter or gum!)
- Hand in my homework on time, all the time
- Bring the correct equipment to lessons and take responsibility for organising myself
- Find out about and make the most of clubs, activities and the wider opportunities in school
- Read at home for at least fifteen minutes each day
- Take letters and other correspondence home
- Do my best at all times
- Remember that time is precious

Student's Name:	Tutor Set:
Student's Signature:	Date:

As parent(s)/carer(s) we/I will do our best to...

- · Ensure that our children are fed, refreshed, wearing correct school uniform, punctual and properly equipped at the start of the day
- Be part of the school and promote its aims and values
- Work with the school to ensure good discipline and attendance
- Encourage a positive attitude to learning in our children
- Ensure that all homework is completed to the best of our child's ability
- Communicate with school through signing the Student Planner each week and through attending parents evenings and Student Review Days
- Provide a suitable environment and encourage our children to do their homework
- Tell the school about any problems before they become serious
- Accept our share of the responsibility for our children's moral and social development
- Support our children in other events in which the school is involved
- Avoid taking students on holiday during term time
- Ensure that if our child is excluded we will provide appropriate adult supervision

Parent/Carer's Signature:	Tutor Set:

As a school we will do our best to...

- Have high expectations of work and behaviour
- Teach good lessons and encourage a positive attitude to learning
- Respect, support and develop the children in our care
- Provide a climate in which every child's achievements are valued
- Provide a safe, supportive, challenging and stimulating environment for learning
- Set homework regularly and ensure that students record this
- Check students' Personal Organisers
- Mark work and give feedback
- . Give parents and students clear information about the progress children are making and how they can improve the quality of their work
- Work in partnership with parents
- Respond to urgent issues parents raise within one working day or other communication within five working days
- Inform parents of any concerns we have before they become problems

SCHOOL PRIVACY NOTICE

(To be distributed to all parents, carers or young people)

What is a Privacy Notice?

The purpose of a Privacy Notice is to explain how you and your family's personal information may be used. It details why we collect information and who we may share it with.

Who are we?

We, Newark Academy, are a Data Controller for the purposes of the Data Protection Act 1998. We collect information from you and your family and may receive information about you and your family from your previous school and the Learning Records Service.

Why is information collected?

The reasons we keep records about you and your family are to:

- Support teaching and learning
- Monitor and report on progress
- Provide appropriate pastoral care
- Give the best possible service
- Provide statutory services (eg. Assessment for free school meals eligibility)
- Safeguard children and young people from harm
- Assess how well schools are doing

What information is collected?

Information that may be collected includes contact details, national curriculum assessment results, attendance information* and personal characteristics such as ethnic group, special educational needs and any relevant medical information. If you / your child are enrolling for post 14 qualifications we will be provided with your unique learner number (ULN) by the Learning Records Service and may also obtain from them details of any learning or qualifications you / your child have undertaken.

Who may my/my family's information be shared with?

We will not give information about you or your family to anyone outside the school without your consent unless the law and our rules allow us to.

We are required by law to pass some of your/your child's information to Nottinghamshire City Council and the Department for Education (DfE). Nottinghamshire City Council uses information about children for whom it provides services, to enable it to carry out specific functions for which it is responsible. These functions may include the assessment of any special educational needs a child may have, assessment for free school meals eligibility, support the process of admissions to schools and provide information for children, young people and family support services. The Council also uses the information to derive statistics to inform decisions on (for example) the funding of schools, and to assess the performance of schools and set targets for them. The statistics are used in such a way that individual children cannot be identified from them.

Newark Academy may also share information, when appropriate and within the legal framework, with other organisations for example:

- Primary Care Trusts (PCT)
- Police forces
- Provider of youth support services in your area
- Other local authorities if you live in their area
- Further educational colleges

Organisations have a legal right to share information when it is in the best interests of the child or young person. Sometimes we have a duty** to share information and would need to justify why we did not. However, we only share information with professionals who have a legitimate need in order to

provide you or your family with support or an intervention. If you require more information about how the Academy and other relevant organisations use your information, then please go to the following websites:

http://www.nottinghamshire.gov.uk/learning/schools/child-data-security/ http://www.education.gov.uk/researchandstatistics/datatdatam/b00212337/datause

If you are unable to access these websites, please contact the Local Authority or DfE as follows:

Nottinghamshire County Council

Data Management Team Children, Families & Cultural Services Nottinghamshire County Council

County Hall West Bridgford Nottingham

NG2 7OP

Department for Education

Public Communications Unit Department for Education Sanctuary Buildings Great Smith Street London SW1P 3BT

Website: www.education.gov.uk

Email: http://education.gov.uk/help/contactus

Telephone: 0370 000 2288

Newark Academy's Publication Policy is available on request from the school office.

Once a child is aged 13 or over we are required to pass on certain information to the provider of youth support services in your area. This is the local authority support service for young people aged 13 to 19 in England. We must provide the address of all pupils and their parents (and date of birth) and any further information relevant to the support services' role (e.g. school name, ethnicity and gender). However, until a child is aged 16 or older, their parent(s) can ask that no information beyond a child's name, address and date of birth (and parent's name and address) be passed on to the youth services provider. This right transfers to the child on their 16th birthday.

Please inform the school if you wish to opt-out of this arrangement. For more information about young peoples' services, please go to the Directgov Young People page at www.direct.gov.uk/en/YoungPeople/index.htm or the LA website shown above.

Can I see the information held about me and my family?

Under the Data protection Act 1998 you and your family are entitled to know what information is held about you. If you want to see a copy of the information we hold and share about you and your family then please contact the School Administrator.

What can I do if the information held is incorrect?

If you suspect that you or your family's information is out of date or incorrect you have a right to request that the data is amended. To do so, please contact the school office on enquiries@thenewarkacademy.org.uk.

Want to know more?

For independent advice about data protection, privacy and information sharing issues you can contact:

The Information Commissioner 08456 30 60 60 http://www.ico.gov.uk

- * Attendance is not collected for pupils under 5 at Early Years Settings or Maintained Schools
- ** A duty is what defines the schools or authorities responsibilities in law

ENRICHMENT

At Newark Academy our aim is to provide a broad and balanced educational experience that combines rigorous academic study with a diverse range of character building enrichment experiences.

Students are offered a rich and varied range of activities through the many clubs and societies that operate as part of the Newark Academy PLUS programme. A comprehensive range of sporting opportunities are available such as football, cricket, netball and athletics. Students regularly represent the school and our sports teams have a strong track record of success is local, regional and national competitions. More recently, our netball and football KS3 squads have participated in European tours in France and Germany.

Sporting Enrichment

We have access to outstanding sporting facilities such as a state of the art sports hall, Multi Use Games Area (MUGA) as well as a Dance Studio and fitness suite.

Creative Enrichment

Performing Arts take a leading role in school life with regular dance and drama productions allowing all students to fully explore their creativity. This involves close links with local agencies and organisations, to ensure we are accessing high quality opportunities for our young people to get involved in. This summer will see our dance group participate in an event with professional choreographer Tom Dale.

Newark Academy has recently partnered with Nottinghamshire County Youth Arts and Newark and Sherwood District Council, to offer creative arts workshops on a Saturday morning to further enrich not only our students, but young people across the District.

Newark Academy Plus

Our bespoke enrichment programme NA+ offers students a wide range of balanced and exciting enrichment opportunities. This includes an impressive selection of in-school events during lunchtimes and after school. Examples of clubs and societies we currently offer students include:

- Gardening Club
- Eco-Warriors
- Iournalism
- Football
- Rock School
- Dance
- Area band
- Drama
- Netball

Student Leadership and Student Voice

Led by our Head Boy and Head Girl, student voice enables all students to be represented through our KS3 (Years 7 and 8) and KS4 (Years 9 and 10) Student Councils. Meeting on a termly basis, the Councils discuss, suggest and put forward ideas to make our learning community even stronger.

Students from all year groups also have the opportunity to apply and be selected to be part of our prefect system and Shadow Student Leadership Team. Students who are successful in being selected for these roles are advocates for all students within the academy and strive to work closely with the Senior Leadership Team to make improvements. They are regularly involved with interviews for new staff at the school, as well as

tours, assemblies and other activities which promote the school. One of their main aims is to ensure all students enjoy their time and achieve their potential at Newark Academy by establishing a positive atmosphere and ensuring everyone feels their views are heard.

In the next academic year we plan to start working towards our Investors in Pupils awards, which looks to enhance our pupil participation framework, ensuring that all students have the opportunity to influence areas of the school and build on leadership skills. Student Leadership and Student Voice will play a big part in this process.

Quote from students...

"The extra-curricular activities I have experienced at Newark Academy have allowed me to make new friends, learn new skills and grow in confidence." Year 7 student

Peer Mentoring

Again, led by our Head Boy and Head Girl, the peer mentors (Year 9 and 10) provide a service for other students, to ensure they are being supported with any issues they may face. This includes friendship issues, supporting with goals and also supporting with basic mental health.

The mentors work out in the wider community also, with regular visits to primary schools supporting invents and anti-bullying, mental health and raising awareness on serious and relevant issues.

They also support with early transition strategies with primary students in Year 6 that may need a little bit of extra support. The mentors are all highly trained in mentoring, mediation and mental health first aid. The peer mentors also lead an anti-bullying campaign in school #stopthehate and we have found that this has had a huge impact within school. This includes working on events to raise awareness, raise money and also involvement in our anti-bullying focus group, alongside parents and staff members. The Academy is working towards The BIG Award,

which recognises and celebrates effective strategies for anti-bullying within schools.

Quote from Head Boy and Head Girl...

"All for one, and one for all."

"We, Ali and Millie, would like to give a brief overview of the work that we have been involved in, in regards with aspects of Anti-Bullying. We've been very fortunate to have been involved in the Anti-Bullying scheme which has involved attending various meetings, peer support and partaking in weekly assemblies. Our work hasn't only been recognised within school, with the likes of Shirley Novak from Newark Minds supporting our work with the promotion of Peer Mentors. We have extended our projects to the wider community, for example, raising awareness in primary schools. We look to inspire other children with our work, and would like to thank everyone who have been involved with our work thus far and hopefully will be able to work with many more members of our community in the future."

Quotes from parent...

"The Anti Bullying Focus Group has brought together, staff, pupils and parents to discuss ideas, events and initiatives that ensure that the school is constantly challenging the focus and prevention of bullying. They have looked at all the platforms in which bullying takes place and then address through ideas that the students ultimately feel will work or workshops that can give a clear message to all year groups. From a parents point of view, being involved has enabled me to see that the school and community are striving to reassure parents that Newark Academy is a safe and a happy place for their children to be educated."

STAFF LIST

Mr A Seymour Head of School

Mr A Athey Teacher of ICT / Head of Year 11

Mrs R Beardsmore Head of PE

FROM THE HEAD OF SCHOOL

Here at Newark Academy, we are highly aspirant and ambitious for ourselves and our community. We are committed to providing an outstanding, local education and are relentless in our pursuit of excellence for all and place great emphasis on high levels of academic achievement and success. We have the highest expectations of both staff and students in all aspects of academy life and demand nothing but the best. Through strong discipline and outstanding teaching, every student will be supported to achieve success and realise their full potential.

We are committed to providing stimulating, challenging and engaging learning experiences that ignite imagination and a thirst for knowledge in our students. Our students demand and deserve the very best and we invest heavily in staff development to ensure that Teaching, Learning and Assessment are very much at the heart of everything we do.

Whilst academic excellence is important, we are equally passionate about developing students as lifelong learners and promote core values of hard work, courtesy, co-operation and service. We provide a safe, secure and nurturing environment where every student is cared for and supported to become well rounded and respectful citizens fully prepared to make a sustained and substantial contribution to both the local and global community.

We warmly welcome visits to our state-of-the-art academy building, particularly during the day where you will meet exceptional students and a talented and dedicated staff team all immensely proud to belong to Newark Academy.

Andy Seymour (Head of School)
